

MAKE AI...WORK

CHRIS DYER

Keynote Speaker | Community & Culture Architect

Future of Work

Energizing teams to innovate faster, collaborate deeper, and stay people-focused while they scale

AI evolves by the hour, but people still create the value. Chris Dyer equips every employee with practical ways to partner with AI and large language models while protecting human judgment and trust. Use copilots to erase busywork, speed decisions, and spark creativity. His 7 Pillars Framework builds cultures that adopt AI safely, measure outcomes, and keep teams engaged in any workplace. Attendees leave with simple habits that prevent burnout, and rituals that turn change into momentum.
