

SPEAKER INTRODUCTION

Chris Dyer

Please select either the short or long version and read exactly as written.

Short Version

Our next speaker is a four-time bestselling author, a serial entrepreneur, and Inc. Magazine's number-one leadership speaker on culture. He ran a company that made the Inc. 5000 list five times and has delivered over 300 keynotes in more than 20 countries for organizations like NASA, Berkshire Hathaway, and Johnson & Johnson.

He believes we can create the best place our people will ever work.

Please welcome Chris Dyer.

Long Version

Our next speaker is a serial entrepreneur, a four-time bestselling author, and one of the most in-demand voices on workplace culture and leadership in the world today.

Chris Dyer ran a company that made the Inc. 5000 list five times. He has written four bestselling books, including The Power of Company Culture, Remote Work, and his latest, Moments That Matter. Inc. Magazine named him the number-one leadership speaker on culture.

He has delivered over 300 keynotes in more than 20 countries for clients including NASA, Siemens, Berkshire Hathaway, Johnson & Johnson, and MetLife. He has served as an advisor on artificial intelligence since 2018, working with organizations like General Motors and MetLife. And he is the founder of the AI platform engagebeast.ai.

He believes we can create the best place our people will ever work.

Please welcome Chris Dyer.
